Chrome extension - install from Chrome Web Store

Clara Hardarsson - 2026-11-28 - Google Workspace

With Skolon’s browser extension for Google Chrome, your digital teaching materials and school tools become available directly in your browser. You can find the extension in the Chrome Web Store. As an individual user, click the link above and then click 'Add to Chrome' to install the extension.

Once you have installed the extension, click on its icon.
