Contact your administrator

Clara Hardarsson - 2025-07-01 - For teachers

Here's how to find out who the administrator is at your school

- Go to the **Content** button in the top right-hand corner of My Apps.
- Click on **Contact your administrator**
- You will then see a list of all the Skolon administrators and organisation administrators for your organisation.
- Click on the administrator's email address to copy it to your clipboard

Are you missing licenses for a school? Please contact the School Administrator first.
