Install Skolon SDS Entra integration

Skolon Support - 2024-12-04 - Integrations

To install Skolon's SDS integration to Entra, please follow the instructions for OneRoster API provided by Microsoft in their article ["Connect data to School Data Sync"](#).

You will find the connection credentials for Skolon's OneRoster API in the Skolon Data Hub under "Microsoft Teams"

If you are missing an entry for your SDS-configuration, please [contact our support](#) and we'll help you out.

Please note that you will have to activate at least one school and create at least one team in order to proceed with the last steps of the SDS installation guide.
