Suggest tools for Skolon Store

Clara Hardarsson - 2026-02-12 - Skolon Store

If you find a tool in Skolon Store that you'd like to suggest to your local authority, you can easily do so by clicking on the suggestion symbol.

Click on the tool and press the symbol that looks like a heart. You'll get a confirmation that the suggestion has been saved, and you can see on the heart whether you've suggested the tool.

Via the 'Suggestions' button above the search field, you can see a summary of the suggestions you've made, as well as your local authority's suggestions.
