Log out from Skolon

Noah Kapteijn - 2022-11-21 - My Settings

Do you want to log out from Skolon?

The screenshot shows the 'My settings' page in the Skolon interface. At the top right, there is a user profile icon labeled 'John' with a dropdown arrow, circled in red. Below this is a teal header bar with the text 'My settings' and a 'Log out' button, also circled in red. The main content area is a white card with three columns. The first column shows a profile picture of John Smith, his name, email address, and a 'Change password' link. The second column shows the school name 'Demoskolan' and a list of subjects: 'Biologi Gymnasium' and 'Matematik Gymna...'. The third column contains a list of management options: 'Manage Demoskolan', 'Change school', 'Help and support', and 'Feedback'.

Click on your profile picture on the top right corner in the menu, and you will thereafter reach your settings. Click on the button **Log out**. See you later!
