The screenshot shows the Skolön Settings page. On the left, a sidebar lists 'Tools', 'Local tools', 'Widgets', 'Templates', and 'Skolön Pass'. The 'Tools' option is highlighted with a green bar. The main content area is titled 'Settings' and contains several sections: 'Settings' (Contact details, Adjustments, Billing information), 'Functions' (Export user data for validation, API keys for suppliers), 'Function settings' (Classroom, Microsoft Teams, Local tools, Purchase rights), 'Support' (Contact us), 'Users' (Organisation administrators, School administrators, User settings, Welcome message), and 'Schools'. A 'Done' button is visible on the right.

Kontrollera att licenserna nu finns på önskad skolenhet.
