

Support for tools in My Apps

Clara Hardarsson - 2025-06-27 - [My Apps](#)

For each tool in My Apps, you can access the respective provider's support pages. Right-click on the tool, then click on Help in the menu.

The screenshot shows the Skolon My Apps interface. At the top, there are navigation links: 'Upper Secondary School', 'My apps' (which is underlined in blue), 'Skolon app store', and 'Teachers' room'. On the right, there are user icons for 'Demo' and 'Logout'.

The main area is titled 'My apps' and shows a grid of tool icons. The tools listed are:

- Skolon apps
- Skolup AI
- Canva for Education
- WeVideo
- Book Creator for...
- Google Classroom
- Homework for the 7th of february
- Exercise 6A

Below this grid, there are more tools:

- Soundtrap for Education
- ClickView
- Equatio
- W3Schools Basic
- Mathplanet
- Google Classroom

At the bottom of the grid, there are:

- Digexam
- Creaza Core
- GROW PLANET
- ActivityAngel
- Mindomo

On the right side of the interface, there is a sidebar with a 'Hello there,' message and a 'Ask AI with Skolup' button. A small 'Discover more?' button is also visible.

Support Guidelines

- **If you are missing licences for a tool: Contact your administrator** - Here is a guide on how to [Contact your administrator](#)
- **If you have licences for a tool but it won't open: Contact [Skolon Support](#).**
