

## Introduction to Teacher's room

Clara Hardarsson - 2025-06-27 - [Teachers' room](#)

From My Apps, you as a teacher have access to the Teacher's room.

In the Teacher's room, you can easily get an overview of all your classes and groups. The Teacher's room is designed so that you as a teacher can easily see which different tools your classes and groups have access to, as well as which tools are being used.

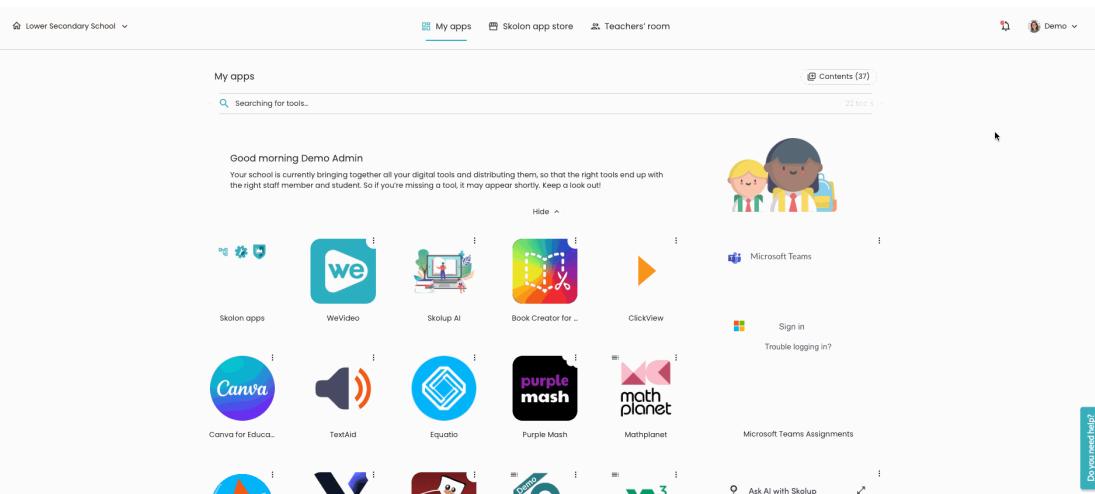

It's possible to select different classes and groups you want to get an overview of, but also to go into each individual student.

The screenshot shows the 'My apps' section of the Skolon app store. At the top, there are navigation links: 'Lower Secondary School' (dropdown), 'My apps' (selected), 'Skolon app store', and 'Teachers' room'. A search bar says 'Searching for tools...'. A 'Contents (37)' link is in the top right. Below the search bar, a message says 'Good morning Demo Admin' and 'Your school is currently bringing together all your digital tools and distributing them, so that the right tools end up with the right staff member and student. So if you're missing a tool, it may appear shortly. Keep an eye out!'. A 'Hide' button is next to the message. To the right, there are two cartoon characters. Below the message, there are several rows of app icons: Skolon apps, WeVideo, Skolup AI, Book Creator for ..., ClickView, Microsoft Teams, Sign in, and Microsoft Teams Assignments. Other visible icons include Canva, TextAid, Equatio, Purple Mash, Mathplanet, and Ask AI with Skolup. A 'Do you need help?' button is on the right.

You can also gain insight into your students' study habits by getting an overview of how much a student has used a tool over a specific period. This makes it easy for you as a teacher to improve your planning and support for the students.

If pseudonymisation of user data to the provider is activated, teachers can easily see the current pseudonym for a class or group under the Teacher's room/My Classes

The screenshot shows the 'My apps' section of the Skolon app store, identical to the previous one but with a different user profile. The top navigation links are 'Lower Secondary School' (dropdown), 'My apps' (selected), 'Skolon app store', and 'Teachers' room'. A search bar says 'Searching for tools...'. A 'Contents (37)' link is in the top right. Below the search bar, a message says 'Good morning Demo Admin' and 'Your school is currently bringing together all your digital tools and distributing them, so that the right tools end up with the right staff member and student. So if you're missing a tool, it may appear shortly. Keep an eye out!'. A 'Hide' button is next to the message. To the right, there are two cartoon characters. Below the message, there are several rows of app icons: Skolon apps, WeVideo, Skolup AI, Book Creator for ..., ClickView, Microsoft Teams, Sign in, and Microsoft Teams Assignments. Other visible icons include Canva, TextAid, Equatio, Purple Mash, Mathplanet, and Ask AI with Skolup. A 'Do you need help?' button is on the right.
