**NOTE!** This article is valid for users with the **Requester** role in Skolon. If you have a personal login to Skolon through your municipality or school, please read this support article instead.

Log in to Skolon with your requester account via [www.skolon.com](http://www.skolon.com). You will be logged in directly to the Skolon App store and can start selecting products immediately by searching for them, filtering them, or scrolling through the assortment.

- Click on the tool you wish to order.
- Click **Select** for the license you want to purchase.
- Enter the number of licenses (NOTE! For principal/municipality and school licenses, you cannot choose the quantity; they are predefined to 1 unit).
- Click **Add**.
- When you enter the shopping cart, select an existing **Purchasing Right** via the dropdown menu, or alternatively, create a new purchasing right. If you have a discount code, enter it and click **Add**.

- Click on **Proceed to checkout**.
- In the checkout, fill in supplementary details. **NOTE!** Delivery postal address, phone number, and reference number are mandatory. You can also specify a desired delivery date and any message to the supplier.
- Click on **Order licenses**.
