### What is a shopping list?

A shopping list in Skolon is a convenient way to save a collection of teaching materials and products for future use. Instead of looking up the same products every time, you can save your as a shopping list. It is perfect for preparing orders or reusing lists for new . All your saved lists are available regardless of which school you have selected.

### How to save a new shopping list

Follow the steps below to create and save a brand new shopping list from your current cart

- Add products to the cart.
- Once you have added the products you wish to save, click the button found above the product list.
- A window with the heading "Save cart " appears. Ensure that the option is selected.
- Click the button.
- A new window pops up asking you to name your new shopping list. Enter a clear name (e.g. "Mathematics Year 4 Autumn Term") ("2026").
- Click the save button. Done! Your shopping list is now created and available under "My shopping lists".

The screenshot shows the Skolon shopping cart interface. At the top, there are navigation links: 'Lower Secondary School', 'My apps', 'Skolon app store', 'Teachers' room', and a 'Demo' dropdown. The main area is titled 'Cart' and lists two products: 'Soundtrap for Education' and 'Skolup AI'. Each product has a small image, a name, and an 'Add' button. To the right of the products, there is a table with columns: 'Product', 'Licence type', 'Number', 'Purchase right', 'Total price', and 'Edit' buttons. The table shows 'Provided upon request' and 'Ordinary 0.00 / user'. Below the table, there is a 'Specify discount code' input field and an 'Add' button. To the right of the table, there is a 'Save cart' button and a 'My shopping lists' link. At the bottom of the cart area, there is a summary table with rows for 'Total (excluding VAT)', 'VAT (20 %)', 'VAT (25 %)', and 'Total (including VAT)'. The total including VAT is £36.00. A 'Proceed to checkout' button is at the bottom right. The bottom of the page has a footer with links: 'Support', 'Help', 'Documentation', and 'Feedback'.
